Fall Enrollment as of 10th Day	1298	1347	1443	1511	1497	1451	1512

¹Mid-semester losses are based on the Department of Education defined effective date that the student last engaged in specific academic activities. In some cases, the College does not identify the loss until an end of semester audit.

²Graduates may include students not enrolled for Fall semester such as Finishing Elsewhere and 3/2 Program who transferred units in to graduate.

³Adjustment for Graduates referenced in footnote 2, new Must Return, 3/2 Program and Finishing Elsewhere students not tracked by Student Development Office.

Report provided by Student Development Office on September 12, 2024
