**Financial Aid (in 000's):**

State	1,994
Federal	4,065
Student Funded	27,048
Work Study	916
Other	29,062
TOTAL:	63,085

**Notations:**

- 1) Packaged, not disbursed data for enrolled students.
- 2) Student funded includes Federal Student Loans (Stafford, PLUS, Perkins) Non-Federal Loans, ULV Loans.
- 3) Other includes institutional, scholarships and funds from non-University and non-Federal sources.
- 4) The reduction in the financial aid is primarily due to the Federal delay of the FASFA. The number of students who filed went down by 13% overall. The delays in the Department of Education sending files meant that fewer students were awarded. Further impacted were the state funds, because the California Student Aid Commission pushed their deadline to align with the FAFSA delays, which reduced the state aid values.
